

The IAASystems@AusNOG program started in 2021 after years of noticing consistent low participation rates from certain sectors in our industry and we wanted to do something about it!

Whilst participation in the program is open to all, the program aims to encourage and support women in the industry. Technology and the Internet is changing the world and we need to cultivate an inclusive industry where women have a role to play and empower them with the confidence and resources to take on these positions.

The IAASystems@AusNOG program is based on the international systems.org and systems@ietf programs. Sponsored attendees will attend both the IAASystems@AusNOG Workshop and the AusNOG Conference in Melbourne this year, and will have economy airfares to Melbourne and accommodation expenses paid if required.

Program Overview

IAASYSTEMS@AUSNOG WORKSHOP

A fully catered one-day workshop designed to give attendees some of the skills required to boost their career in the Internet industry. Focusing on building a range of soft skills and including a career planning session, this workshop will be delivered by prominent industry professionals to ensure attendees are provided with the best guidance and given tools for success.

ATTENDANCE OF THE AUSNOG CONFERENCE

The program will run in conjunction with the two-day AusNOG Conference to ensure attendees receive relevant technical training and networking opportunities.

Participating in the Program

Whether you are at the beginning of your career, wanting more from it or navigating a career change, the IAASystems@AusNOG program is a great chance to put yourself out there, receive training from experts in the field, as well as the opportunity to network with your peers.

SPONSORED ATTENDEES

Successful applicants chosen to be a sponsored attendee will receive:

- Ticket to attend the IAASystems@AusNOG Workshop (31 August 2022)
- Ticket to attend the AusNOG Conference (1-2 September 2022)
- Economy airfares to Melbourne and accommodation (if required)
- One-year complimentary Professional Membership to IAA (subject to Board approval)

Participating in the Program

BECOMING A SPONSORED ATTENDEE

To apply for one of these places, you must complete the application form addressing the eligibility criteria, provide an overview of your current role and a summary of your career aspirations. It must also include details of a referee who can provide an endorsement on your behalf if you are shortlisted. Referee's include: a manager, university supervisor, internal mentor or suitable industry referee.

ELIGIBILITY CRITERIA

- Must have a career or working towards a career as an Internet engineer / technician / product specialist / programmer or re-entering the industry after a career break
- Must have a passion for the Internet and the Internet industry

Applications demonstrating the most potential for personal growth and passion for the Internet will be rated highest.
