Public Policy and Advocacy

- Are we covering the areas that members are interested in?

- Are there any other areas that are a priority to members?

- Is there anything else you want to know?

- Is there anything else you would like us to do?

- Is there anything else you would like to discuss today?

- Drop a comment now in the Q&A!

28 Aug, Brisbane Convention Centre

Where to now for sponsorship and events?

- The Board approved a 5-year event and sponsorship plan in 2022
- This led to the re-invigoration of our in-person events and growing them to be educational as well as networking
- The next step is to expand the duration of these in-person events

- *What would members like to see? What events would members attend?*
