Supporting women in the internet industry

SPONSOR PROSPECTUS 2027

Internet
Association
of Australia

If you and your organisation are passionate about cultivating a more inclusive internet industry and want to help support and enable women within the industry, why not sponsor a program designed to do just that?

WHAT THE SYSTEMS SAY!

It was a great supportive environment for people in early-middle stages of their careers.

Steph Pullon - 2025 Alumna

Thank you for the reminder to keep practicing my presentation skills, to keep backing myself, and to not be afraid to ask for opportunities to further myself.

Chris Chong - 2026 Alumna

I loved having the opportunity to get integrated in the NOG community and bring more women to the conference, this was a highlight for me.

Lia Rich - 2025 Alumna

What an incredible experience! The workshop was empowering, energizing, and deeply insightful. It exceeded expectations on all fronts.

Dilki Fernando Malnaidelage - 2025 Alumna

You cannot be what you cannot see." IAAsystems truly brought that to life for me.

Margi Doshi - 2025 Alumna

While there are increasing opportunities and positive progress, women can still face challenges when navigating the industry. IAASystems NZ plays a very important role in supporting women in the internet industry.

Richel Robles - 2026 Alumna

Being in the room with women who just get it is so refreshing and supportive. I absolutely loved it, and I appreciate you bringing it to NZ. Please keep coming!!!!

Maria Skatova - 2024 Alumna

It was a great learning opportunity and I felt very energised and motivated after meeting wonderful, smart women working in the internet industry.

Karnali Dhanani - 2025 Alumna

2027 IAASYSTERS NZ PROGRAM DETAILS

- IAASystems NZ Workshop - Wednesday, 7 April 2027- location TBC
- NZNOG Conference – Thursday, 8 and Friday, 9 April 2027 - location TBC

PROGRAM OVERVIEW

After the continued success of IAASystems NZ in 2026, we're excited to return in 2027 in partnership with NZNOG to deliver this transformative program once again.

Inspired by the international systems.org and systems@ietf.org movements, IAASystems is designed to support women and gender diverse people in the internet industry through a one-day workshop focused on enhancing participants' careers through sessions that focus on career planning and soft skills, followed by participation in a technical conference.

Whilst the program is open to all, it aims to encourage and support women in the internet industry. Technology and the internet is changing the world, and we need to cultivate an inclusive industry where women have a role to play and empower them with the confidence and resources to take on these positions. Each year, ten sponsored attendees will be selected based on their application to the program. Applicants must address the below criteria to assess their eligibility.

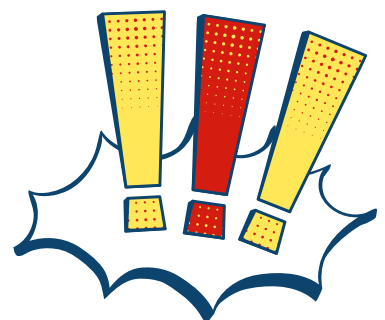

ELIGIBILITY CRITERIA

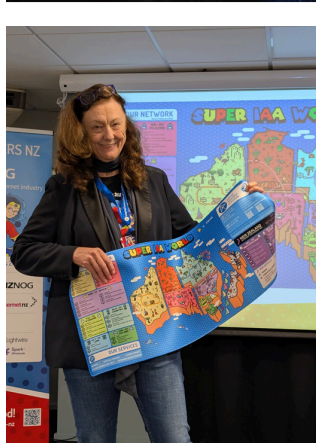

- Must be employed in, or working towards a career in the internet industry*
- Have a passion for the internet and the internet industry
- Reside within New Zealand

**Applications are open from women working in ALL types of job roles within the internet industry (network operations, engineering, IT, marketing, regulation, customer support or those studying towards a relevant degree or diploma).*

SUCCESSFUL SPONSORED ATTENDEES WILL RECEIVE

- Ticket to attend the IAASystems NZ Workshop
- Ticket to attend the NZNOG technical conference
- Economy airfares and accommodation (if required)
